

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 1082 - SB 904**

March 25, 2011

**SUMMARY OF BILL:** Authorizes any local jurisdiction within Davidson, Hamilton, Knox, or Shelby County, upon approved by the state fire marshal, to enforce its own code, construction inspection services, and standards for business occupancy, assembly occupancy, or place of assembly, regardless of size, in a building less than three stories tall. Defines "business occupancy," assembly occupancy," and "place of assembly."

**ESTIMATED FISCAL IMPACT:**

**Decrease State Revenue - \$513,600**

Assumptions:

- According to the Department of Commerce and Insurance, in 2010, the state received revenue from plan submissions and requests for No Review letters from such buildings in Davidson, Hamilton, Knox, and Shelby County.
- Estimate assumes the bill will eliminate the enforcement now performed by the State Fire Marshal's Office in those counties for state-owned assembly buildings and office buildings.
- It is estimated that the recurring decrease in revenue will be equal to the revenue gained from plan submissions and requests for No Review letters in 2010 in Davidson, Hamilton, Knox, and Shelby County.
- In 2010, revenue gained from such requests and letters totaled \$513,600; therefore, the resulting recurring decrease in state revenue is \$513,600.
